B&D Remote Opener

Controll-A-Door S

Limited headroom is no problem for a Flex-A-Door

ENJOY THE CONVENIENCE

For easier operation of your Firmapanel door, add a B&D Controll-A-Door automatic garage door opener. Designed to perfectly suit your door, the Controll-A-Door provides:

- Convenience – one push of the remote button and you drive straight into your garage.
- Tri-Tran™ technology – for greater reliability and minimal interference. When you push your transmitter button, you can trust your door will opener.
- Comfort – no more lifting heavy doors.
- Value – adds value to your home.
- Safety – forget getting out of the car on those dark or rainy nights. The courtesy light also allows you to see inside the garage.
- Security – protection for yourself and your property with a positively locked garage door.
- Low standby wattage – saving you money on your power bill, and reducing greenhouse gas emissions.

LIMITED HEADROOM

Do you want all the benefits of a B&D door, but don't have the headroom for a normal garage door? Try a B&D Flex-A-Door®. It's the perfect alternative when you are looking to replace your existing tilt door, or in situations where you have restricted headroom in your garage or carport.

- a) Firmapanel doors, in normal residential use, are covered by a 12 month warranty for all components and associated labour, conditional on proper care, as recommended in the door's handbook. Full details of the warranty are available from www.bnd.com.au. 12 month warranty only applies to doors purchased and installed in Australia or New Zealand. Warranty only valid if warranty conditions are met.
- b) For areas within one kilometre of a corrosive environment e.g. salt air or industrial fallout, special care and maintenance are generally required for metal products. Consult B&D or your B&D Accredited Dealer for advice.
- c) The company reserves the right to make changes or improvements to the products or accessories without notice and without incurring any obligation to make similar changes or improvements to goods previously ordered. Specifications subject to change without notice.
- d) B&D strongly recommend the use of Woodgrain finish on all steel sectional doors above 4900mm in width. The Smooth finish when used in conjunction with darker colours may produce irregularities in the panel finish. Please consult B&D Doors or an Accredited dealer for more information.
- e) Prefixed Trademarks are trademarks of B&D Australia Pty Ltd.
- f) B&D products have many patents and registered designs applicable.
- g) While BlueScope Steel Limited is our preferred supplier, steel products from other sources may also be used.
- h) Window frame / trim colour may vary slightly to door colour.
- i) Details correct at date of publication.
